RE: Oregon Department of Aviation application to Federal Aviation Administration (FAA) for funds to extend the Aurora State Airport Runway

Dear Senator Johnson:

**CHIEF
ADMINISTRATIVE
OFFICER**

John Lattimer

Marion County is following up on the Joint Committee on Ways and Means recommendation from the September Legislative Days, directing all interested parties to participate in the Oregon Solutions process regarding the Aurora Airport runway expansion. Marion County is fully supportive of this directive and has been participating in this process in good faith.

In addition, you asked everyone involved in the Aurora Airport issue to stand down and allow the Oregon Solutions process to work. We understand that the City of Wilsonville has opted to hold a public hearing on the proposed Aurora Airport expansion on Tuesday, November 27, 2018, in their city council chambers. (Information attached.) We do not believe this is a forum to resolve any issues with the airport and are concerned that this hearing is taking place outside the legislatively directed process.

Again, we are committed to the Oregon Solutions process in working through this issue. Please let us know if there is anything you need from us when you convene for the December Legislative Days. We appreciate your interest and all of your efforts.

Sincerely,

Janet Carlson, Chair

Kevin Cameron, Vice Chair

Samuel A. Brentano, Commissioner

Subject: Nov. 27 Wilsonville City Council Hearing on Proposed Aurora State Airport Expansion

CITY OF WILSONVILLE CITY COUNCIL
NOTICE OF PUBLIC HEARING ON
PROPOSED AURORA STATE AIRPORT EXPANSION

PUBLIC NOTICE IS HEREBY GIVEN that the Wilsonville City Council will conduct a public hearing on, **November 27, 2018**, 7:00 p.m., at City Hall, 29799 SW Town Center Loop East, Wilsonville, Oregon.

The purpose of this public hearing is to consider public testimony on the proposed expansion of the Aurora State Airport by the Oregon Department of Aviation (ODA) to be funded by a \$37 million grant request to the Federal Aviation Administration (FAA).

The proposed project has generated significant concern and widely varying perspectives regarding the potential merits, benefits, negative impacts, consequences and mitigations that would be needed if the proposal proceeds. The public has had only limited opportunity to provide comment to public officials on this current proposal, recognizing that several governmental authorities—including cities, counties and state agencies—are responsible for the geographic area surrounding the airport and will be impacted by aspects of the proposed expansion.

The Wilsonville City Council seeks to provide a forum in which public officials, stakeholders, impacted parties and the members of the general public can present their views. The City Council seeks to compile a record of public testimony that may be presented for consideration by state legislators and the Governor, members of the Oregon Congressional delegation and the FAA. The hearing is being held prior to prospective approval by the legislature's Joint Emergency Board during "Legislative Days" in Salem during December 12-14, 2018.

Background information on the proposed Aurora State Airport expansion may be found online at www.ci.wilsonville.or.us/AuroraStateAirport. Specific suggestions or questions concerning the proposed may be directed to Public/Government Affairs Director Mark Ottenad at [503-570-1505](tel:503-570-1505) or by email at ottenad@ci.wilsonville.or.us. Public testimony, both oral and written will be accepted prior to and at the public hearing. Written statements are encouraged and may be submitted to City Recorder, 29799 SW Town Center Loop East, Wilsonville, OR 97070 or by email at cityrecorder@ci.wilsonville.or.us.

Copies of the proposed item may be obtained at a cost of 25 cents per page, at City Hall or by calling the City Recorder at [503-570-1506](tel:503-570-1506) and requesting a copy to be mailed to you.

Assistive listening devices are available for persons with impaired hearing and can be scheduled for this meeting. The City will endeavor to provide qualified sign language interpreters without cost if requested at least 48 hours prior to the meeting. To obtain such services call the office of the City Recorder at [503-570-1506](tel:503-570-1506) or by email at cityrecorder@ci.wilsonville.or.us.
