City of Wilsonville Transit Master Plan

- CONVENIENCE
- SAFETY
- RELIABILITY
- EFFICIENCY
- FISCAL RESPONSIBILITY
- FRIENDLY SERVICE
- EQUITY & ACCESS
- ENVIRONMENTAL RESPONSIBILITY

Transportation

Clackamas County \$30/year Vehicle Registration Fee

- Help fund road maintenance and traffic-congestion improvements
- Only county in the metro region without a local road funding source
 - But has more miles of roads than other counties—1400 miles
- Matches that of Washington County

Transportation

40% of fee goes to cities:

- Wilsonville anticipates about \$500,000 per year for local road improvements
- 10% of new funds for road improvements in the “urban-rural” interface
 - such as intersection of 65th/Elligsen/Stafford roads

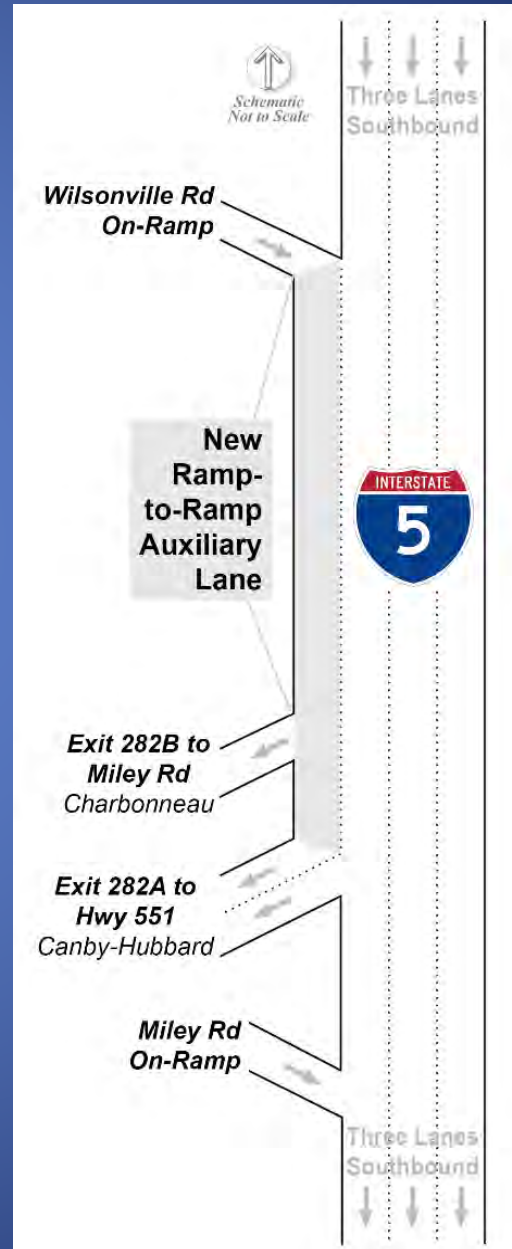

Transportation

Southbound I-5 Boone Bridge Congestion Study

Transportation

Wilsonville I-5 Facility Plan: *New Ramp- to-Ramp Auxiliary Lane*

Transportation

Strategic spot improvements

- Extra turn lane
- New I-5 southbound on-ramp 'stacking lane'
- Better signage

Transportation

South Metro I-5 Corridor Study

- **Best locations for strategic traffic-flow improvements**
 - **Extended merge lane**
 - **Auxiliary lane**
- **Increased use of transit**

Transportation

Wilsonville City Council

Long-term Direction

- **Connected community**
- **Environmental stewardship**
- **Thoughtful planning**
- **Responsible development**
- **Healthy, active living**

Wilsonville City Council

Challenges facing us

- **Diverse housing**
- **Family-wage jobs**
- **Transportation system**
- **Safe, welcoming community**
