

RESOLUTION NO. CLIV (154)

A RESOLUTION AUTHORIZING CONTRACT FOR WASTE WASTER SYSTEM INFILTRATION/INFLOW REDUCTION PROJECT -- PHASE I.

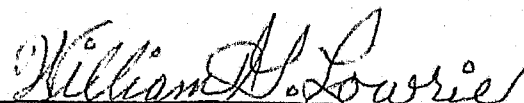

WHEREAS, the City of Wilsonville has heretofore advertised and received bids which were opened at the Wilsonville City Hall, Wilsonville, Oregon, on January 19th, 1981, for sanitary sewer infiltration/inflow reduction project -- Phase I; and

WHEREAS, the bid specifications for the aforementioned project were prepared by Westech Engineering, Inc., the City's engineer, and calls for bids were duly and regularly published in a manner and for the time required by law; and

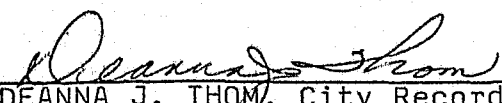

WHEREAS, the bids were publicly opened and read out loud at the Wilsonville City Hall on January 19, 1981, and the results of the bidding were reported to the Mayor and the Wilsonville City Council by Memorandum of Public Works Director, Larry Blanchard, dated January 19, 1981, with the recommendation to accept the low bid from Gelco Grouting Service, Inc. for \$32,901.50, and the Wilsonville City Council duly considered the Memorandum report, together with the bids at their regular meeting, and subsequently determined there was an error in the Memorandum in that the low bidder, Gelco Grouting Service, is an Oregon partnership and is not a coporation. A copy of the Memorandum is marked Exhibit "A", attached by reference herein as if fully set forth; and

WHEREAS, Wilsonville City Council, as the City Contract Review Board, considered the bids and specifications for the project and

ADOPTED by the Wilsonville City Council at a regular meeting thereof this 3rd day of February, 1981, and filed with the Wilsonville City Recorder this same date.
