

RESOLUTION NO. CLXXXV (185)

RESOLUTION APPROVING PURCHASE OF ENGINEER'S LEVEL, TRIPOD AND ROD.

WHEREAS, Larry Blanchard, Public Works Director, submitted by Memorandum of September 3, 1981, a recommendation that the City of Wilsonville purchase Dietz Engineers Level, Level Tripod and Elevation Rod from Precision Instruments for a total purchase price of \$1,550.00 as low bidder, pursuant to bids duly called and received; and

WHEREAS, the City Council of the City of Wilsonville did carefully review and consider the Public Works Director's report and recommendation at its regularly scheduled meeting of September 8, 1981, at Wilsonville City Hall, Wilsonville, Oregon;

NOW, THEREFORE, BE IT HEREBY RESOLVED that the City of Wilsonville purchase the Dietz Engineers Level, Level Tripod and Elevation Rod from Precision Instruments for a total purchase price of \$1,550.00, based upon the report and recommendation of the Public Works Director, Larry Blanchard, as set forth in Exhibit "A", attached hereto and incorporated herein.

ADOPTED by the Wilsonville City Council at a regular meet-

ing thereof this 5th day of October, 1981, and filed
with the Wilsonville City Recorder this same date.

WILLIAM G. LOWRIE, Mayor

ATTEST:

DEANNA J. THOM, City Recorder

CITY OF WILSONVILLE

MEMO

September 3, 1981

DATE

TO: Mayor William G. Lowrie & City Council
FROM: Larry Blanchard, Public Works Director *L.B.*
SUBJECT: Purchase of Engineers Level - Tripod - Rod

During the past seven months, the City of Wilsonville has rented a 1978 Dietz Engineers Level, Tripod, and 25 foot Telescopic Rod for \$180/month. Approved for the 1981/82 budget year on page 12, line 21 under Inspectors Equipment a sum of \$4420.00 was budgeted, however only \$3,000.00 was allocated for the Engineers Level, Tripod, and Rod.

The equipment that we rent from Precision Instruments from Portland is 1978 model and if purchased at new prices would cost a little less than \$3,000.00. It has always been a policy of Portland Precision Instrument that when you rent their equipment that \$450.00 of the rent paid applies toward the purchase price of the equipment. The City of Wilsonville has already paid rent for 7 months @ \$180.00/month = \$1,260.00.

In order for the City of Wilsonville to buy the equipment needed a total of \$1,550.00 would need to be paid to Precision Instruments.

Recommendation

The City of Wilsonville to purchase the Dietz Engineers Level, Level Tripod, and Elevation Rod from Precision Instruments for a total purchase price of \$1,550.00. The equipment is in excellent condition and would save the City an additional \$1,450.00 if the City were to buy a new Level, Tripod and Rod.
