PARKS (Resolution 3046 Fee Increase 1/1/2024)	FEE PER UNIT	UNIT*
Single Family/Duplex	\$ 14,000	DU
Mobile Home	\$ 10,208	DU
Multi-Family per Dwelling Unit	\$ 9,404	DU
SIC 1-19: Agriculture; Fish & Forest Services; Construction; Mining	\$ 465	TGSF
Includes establishments engaged in the production of crops, livestock, and animal specialties, or providing agricultural services. This category also includes any forestry, fishing, hunting, or trapping establishments. General building contractors, electrical work, utility construction, and heavy construction establishments are also included in this category, as well as those related to the extraction of oil, gas, ores, and quarries.		
Manufacturing SIC 20: Food & Kindred Products	\$ 465	TGSF
Includes any establishments processing food and beverages for human consumption, such as meat packing, producing dairy products, ice creams, malt beverages, and bottled and canned soft drinks. This category also includes related products, such as manufactured ice, production of oils, and prepared feeds for animals.		
Manufacturing SIC 22, 23: Textile & Apparel	\$ 436	TGSF
Includes any establishments preparing fibers, manufacturing yarns and similar materials, manufacturing fabrics, carpets, and rugs, dyeing or finishing such products, coating or waterproofing or otherwise treating fabrics, or manufacturing felt goods and other miscellaneous textiles. It also includes establishments producing clothing and other products which are produced by cutting and sewing purchased textiles.		
Manufacturing SIC 24: Lumber & Wood	\$ 295	TGSF
Includes any establishments cutting timber and pulpwood, such as sawmills, lath mills, shingle mills, planing mills, and establishments producing finished goods made entirely of wood or related materials. However, the production of finished goods made of wood which are listed in other SIC codes are not included in this category. For example, the production of furniture is captured under SIC 25.		
Manufacturing SIC 25, 32, 39: Furniture; Clay, Stone & Glass; Misc	\$ 429	TGSF
Includes any establishments producing furniture. However, those manufacturing wood kitchen cabinets are contained in SIC 24. This category also includes those manufacturing glass and glass products, cement, clay products, pottery, and other such products using materials such as clay, stone, and sand. Finally, this category also includes the manufacturing of products not contained in other groups, such as jewelry, silverware, musical instruments, dolls, toys, games, athletic goods, pencils, and other such miscellaneous products.		
Manufacturing SIC 26: Paper & Allied	\$ 361	TGSF
Includes any establishments manufacturing pulps and other cellulose fibers, the manufacturing of paper and paperboard, cardboard, plastic films, and sheet.		
Manufacturing SIC 27: Printing, Publishing, & Allied	\$ 172	TGSF
Includes any establishments engaged in printing, bookbinding, and platemaking. This category also includes establishments publishing materials, regardless of whether the printing is performed at the establishment. However, news syndicates are classified in SIC 73.		
Manufacturing SIC 28-31: Chemicals, Petroleum, Rubber, Leather	\$ 610	TGSF
Includes any establishments producing basic chemicals and those manufacturing products using predominantly chemical processes. It also includes establishments refining petroleum, manufacturing paving and roofing materials, or compounding lubricating oils and greases from purchased materials. Further, this category includes establishing manufacturing products from plastic resins and rubber. Finally, this category includes establishments tanning, currying, and finishing hides and skins, and those finishing leather products.		
Manufacturing SIC 33, 34: Primary & Fabricated Metals	\$ 381	TGSF
Includes any establishments smelting and refining metals, rolling, drawing, and alloying metals, and producing coke. This category also includes establishments manufacturing metal products such as metal cans, tinware, hand tools, general hardware, and other metal and wire products.		
Manufacturing SIC 35: Machinery Equipment	\$ 653	TGSF
Includes any establishments manufacturing industrial and commercial machinery such as engines or turbines, farm and garden machinery, construction, or mining equipment, as well as computers.		
Manufacturing SIC 36, 38: Electrical Machinery, Equipment	\$ 915	TGSF
Includes any establishments manufacturing machinery, apparatus, or supplies for the generation, storage, transmission, transformation, or utilization of electricity. This category also includes the manufacture of household appliances such as electrical lighting or wiring equipment, radio and television receiving equipment, or other electrical supplies. The production of industrial machinery and equipment is included in SIC 35. This category also includes establishments manufacturing instruments of measurement, testing, analyzing, or controlling, such as optical lenses, clocks, watches, surgical, medical, and dental instruments, or photographic equipment, among others.		
Manufacturing SIC 37: Transportation Equipment	\$ 686	TGSF
Includes any establishments manufacturing equipment for the transportation of passengers or cargo by land, air, or water. This includes motor vehicles, aircraft, guided missiles, ships, boats, railroad equipment, or other miscellaneous transportation equipment. Note that establishments manufacturing equipment for moving materials on farms, mines, construction sites, within individual plants, in airports, or other locations off highways are included in SIC 35.		
TCPU SIC 40-42, 44, 45, 47: Transportatoin & Warehousing	\$ 392	TGSF
Includes any establishments providing transportation by railroad, bus, subway, or those providing long-distance trucking or transfer services or those engaged in the storage of commercial goods. This category also includes establishing providing freight or passenger transportation on the open seas or inland water, and those providing towing, lighterage, and canal operation. It also includes establishments providing domestic or foreign transportation by air and those who operate airports or provide terminal services. Finally, it also includes establishments providing incidental support to transportation, such as forwarding or packing services, and those arranging passenger or freight transportation.		
TCPU SIC 43, 46, 48, 49: Communications & Public Utility	\$ 83	TGSF
Includes any establishments of the United States Postal Services (USPS) and those establishments which primarily transport mail for the USPS. This category also includes establishments transporting petroleum and other commodities through pipelines, as well as those transporting natural gas. This category includes those establishments providing communication services, such as radio or television broadcasting. Further, this category includes establishments engaged in the generation, transmission, or distribution of electricity or steam. Finally, this category includes establishments providing water and irrigation services, and sanitary services such as the disposal of garbage, sewage, or other wastes.		
SIC 50, 51: Wholesale Trade	\$ 597	TGSF
Includes any establishments engaged in the wholesale distribution of durable or non-durable goods of any kind.		

SIC 52-59: Retail Trade	\$ 197	TGSF
Includes any establishments engaging in the retail distribution of durable or non-durable goods, such as building and gardening supplies, hardware, groceries, apparel or accessory stores, home furniture, or other miscellaneous retail items. It also includes automotive dealers, gasoline service stations, and eating and drinking places such as restaurants, refreshment stands, lunch counters, or bars.		
SIC 60-68: Finance, Insurance & Real Estate	\$ 584	TGSF
Includes any establishments engaged in finance, such as depository institutions, non-depository credit institutions, or security and commodity brokers, dealers, exchanges, or services. It also includes insurance carriers, agents, brokers, and insurance services offices. Finally, it includes real estate offices, holdings, and other investment offices.		
SIC 70-79: Non-Health Services	\$ 742	TGSF
Includes any establishments providing non-health services. These services can include those providing hotels, rooming houses, camps, or other lodging places. It can also include establishments providing personal services, such as laundries, dry-cleaning plants, photographic studios, beauty, and barber shops. Also included in this category – if not included elsewhere – are those establishments providing business services, such as advertising, claim collection, news syndicates, computer programming data processing or help supply services. This category also includes establishments providing automotive repair, rental, leasing, or parking services, as well as those providing miscellaneous repair services. Finally, it		
SIC 80: Health Services	\$ 356	TGSF
Includes any establishments providing medical, surgical, or other health services. This category does not include those providing insurance against hospitalization or medical costs, which are contained in SIC 60-68.		
SIC 81-89: Educational, Social & Membership Services	\$ 784	TGSF
Includes any establishments providing legal, educational, or social services. It also includes museums, art galleries, and botanical or zoological gardens. This category also includes membership organizations such as trade associations, labor unions, professional membership organizations, or political or religious organizations. Further, this category includes those establishments providing engineering, architectural, or surveying services, as well as accounting, auditing, and bookkeeping services. Also included are private households which employ workers who serve on or about the premises. Finally, this category includes all other services not categorized into one of the other SIC codes.		
SIC 90-99: Government	\$ 371	TGSF
Includes any establishments providing executive, legislative, or general government services. It also includes establishments providing justice, public order, or safety. This includes all governmental administration of human resource programs, environmental quality and housing programs, economic programs, public finance, taxation, or monetary policy, as well as national security or international affairs.
