

RESOLUTION

NO. LXIX (69)

A RESOLUTION AUTHORIZING INCREASE IN RATES UNDER GARBAGE FRANCHISE CONTRACT WITH UNITED DISPOSAL SERVICE INC.

WHEREAS, Wilsonville City Ordinance No. 4 entitled "An Ordinance Providing for the Collection and Disposal of Garbage; Authorizing a Contract Therefor; and Relating Generally to the Health and Sanitation of the City of Wilsonville and the Inhabitants Thereof" was enacted April 7, 1969, and provides among other things for authority of the Mayor to enter into contracts as may first be approved by the City Council for collection and disposal of garbage in the City of Wilsonville; and,

WHEREAS, the last franchise contract for garbage collection in the City of Wilsonville was made by the City and United Disposal Service Inc. of Woodburn, Oregon, on the 8th day of April, 1974; and

WHEREAS, said contract provides that fees to be charged and collected for services under the contract shall be changed from time to time to reflect changes in the cost of living, and the increase or decrease in the cost of doing business, or an increased cost of additional, better, or more comprehensive service; and

WHEREAS, the Wilsonville City Council has considered the request of United Disposal Service Inc. of Woodburn, Oregon for a rate increase and the City Council has found the following:

1. The only rate increases granted since the garbage franchise contract was originally entered into on April 7, 1969 was an increase effective July 1, 1969 and an increase effective March 1, 1974.
2. That during almost 6-1/2 years since the contract was originally entered into the Consumer Price Index has increased some 49% while the rates of United Disposal Service Inc. for Wilsonville have increased only about 28%.
3. That the contractor is entitled to a rate increase and that the figures and financial data submitted by the contractor justifies the increase requested by the contractor, United Disposal Service Inc.

THAT IT IS THEREFORE HEREBY RESOLVED BY THE WILSONVILLE CITY COUNCIL THAT UNITED DISPOSAL SERVICE INC. OF WOODBURN, OREGON IS ENTITLED TO CHARGE THE RATES ON THE ATTACHED EXHIBIT "A" AS OF JANUARY 1, 1976, AND THE COUNCIL FINDS THAT THE COLLECTION SERVICE CHARGES ARE REASONABLE AND IN THE BEST INTEREST OF THE CITY OF WILSONVILLE AND ITS RESIDENTS IN ORDER THAT THE CONTRACTOR BE ABLE TO

CONTINUE THE PRESENT GOOD SERVICE TO THE CITY OF WILSONVILLE AND ITS RESIDENTS.
