

RESOLUTION NO. CCXLIII (243)

A RESOLUTION ACCEPTING THE BID TO PURCHASE THE SURPLUS LOW FREQUENCY RADIO SYSTEM FROM THE CITY OF WILSONVILLE

WHEREAS, The City Staff has prepared a report on the above captioned subject which is attached hereto as Exhibit A, and

WHEREAS, the City Council has duly considered the subject and the recommendation(s) contained in the staff report, and

WHEREAS, interested parties, if any, have had an opportunity to be heard on the subject,

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Wilsonville does hereby adopt the staff report attached hereto as Exhibit A, with the recommendation(s) contained therein and further instructs that action appropriate to the recommendation(s) be taken.

ADOPTED by the City Council of the City of Wilsonville at a regular meeting thereof this 21st day of June, 1982 and filed with the Wilsonville City Recorder this same day.

WILLIAM G. LOWRIE, Mayor

ATTEST:

DEANNA J. THOM, City Recorder

CITY OF WILSONVILLE

MEMO

May 12, 1982

DATE

TO: Mayor and City Council ✓
FROM: Larry R. Blanchard *L.R.B.*
Public Works Director
SUBJECT: Accept Bid on Surplus Radio System

The City Council at the April 19, 1982, City Council meeting accepted my recommendation to establish the low frequency radio system as surplus equipment and advertise the equipment for bids.

Only one bid was received from G.L. Forrette for a total cost of \$1500.00 for the base station and 6 mobile radios. The system is presently 2½ years old and the resale value does not stay relatively high for used systems. The original base station was approximately \$1,100.00 with each mobile radio about \$500.00.

The City needs a more adaptable radio system of which the high frequency system would allow, and would put the City's facilities on a 24 hour watch due to the direct intertie with the T.R.F.P.D.

Recommendation

1. Accept the bid for the low frequency surplus radio system by G.L. Forrette for a total cost of \$1500.00.
2. The low frequency system will not be sold to Mr. Forrette until the City purchases and installs the new high frequency system approved during the Supplemental Budget.
