SUBJECT: Request Placement Yard Man Tractor on Surplus Equipment List

In recent weeks staff has witnessed some interest in the purchase of a 1976 - 8hp Yard Man Tractor/Mower, Serial No. Y 1413 Model No. 3480-0. The tractor has a blown engine which evidently happened in 1978 and has never been repaired.

Since the equipment is actually non-functional for Park Area mowing the cost to repair would be substantial considering its specified use. Also taking into consideration the possibility of prospective buyer(s) for the equipment it would seem logical to see the equipment rather than repair it.

Recommendation

Place the 1976 Yard Man Tractor/Mower on the Surplus Equipment List, and instruct staff to advertise for closed bids.
