

**RESOLUTION NO. 654**

**A RESOLUTION AUTHORIZING THE MAYOR TO SIGN LIQUOR LICENSE RENEWAL APPLICATIONS.**

WHEREAS, the City of Wilsonville receives a large number of liquor license renewal applications each year for recommendation to the Oregon Liquor Control Commission (OLCC) for approval or denial; and

WHEREAS, the City has had a practice of placing liquor license renewals on the consent agenda at City Council meetings; and

WHEREAS, this can be an inefficient system and lend to delays in recommendations due to the scheduling of City Council meetings; and

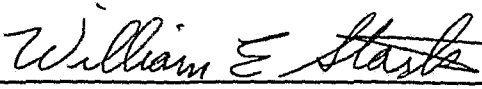

WHEREAS, recommendations for approval of liquor license renewals are a routine matter in all instances except those for a licensed establishment with a poor record of liquor-related violations;

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Wilsonville that:

1. The Mayor is authorized by the City Council to sign all approvals for liquor license renewals unless the establishment has had a history during the previous year of liquor-related violations.

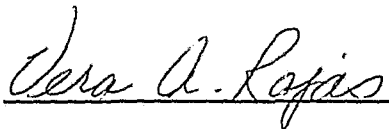

2. Should a licensed establishment have liquor-related violations which may be cause for a recommendation not to renew a license, a public hearing shall be scheduled and the recommendation to renew or not renew a license shall be made by the City Council after the conclusion of the public hearing.

ADOPTED by the City Council of the City of Wilsonville at a regular meeting thereof the 16th day of February, 1988 and filed with the Wilsonville City Recorder this same day.

WILLIAM E. STARK, Mayor

## MEMO

TO: Honorable Mayor & City Council

FROM: Pete Wall  
City Manager 

SUBJECT: Resolution - Liquor License Renewals

DATE: February 11, 1988

This subject was discussed at the last Council meeting. Our system of approving liquor licenses is slow and inefficient for such a routine manner. The resolution authorizes the Mayor to sign applications unless liquor-related violations have occurred. Should this be the case, a public hearing will be held as required and the decision to recommend approval or denial will be made by the full Council after the hearing. Presently we do not have any establishments in the city that fall into this category but it can and does happen from time to time.

There are several renewal applications on the consent agenda. Should this resolution be approved, they should be removed from the consent agenda.
